This is a detailed map of the Bonnaroo festival grounds. It shows the layout of various camps (e.g., Camp Billy Zane, Camp Katinka, Camp Zoolander, Camp Hugel, Camp Marcellus Wallage, Camp Honey Bunny, Camp Zed, Camp The Wolf, Camp Ron Swanson, Camp Lil Sebastian, Camp Billy Zane, Camp Katinka, Camp Zoolander, Camp Hugel, Camp Marcellus Wallage, Camp Honey Bunny, Camp Zed, Camp The Wolf, Camp Ron Swanson, Camp Lil Sebastian), stages (e.g., The Other, This Tent, Which Stage, What Stage, That Tent, Who Stage), and landmarks (e.g., The Tower, The Arch, The Oasis, The Boogaloo of Wonder, The Ville & The Grove, The Boogaloo of Wonder, The Ville & The Grove, The Boogaloo of Wonder, The Ville & The Grove). The map also includes a compass rose, a legend for various amenities, and a list of all plazas and their locations.

BONNAROO CASHLESS
Bonnaroo Cashless is basically magic, but cooler (OK, maybe not cooler, but it's pretty cool). While you register your Bonnaroo wristband online (which is required for ALL attendees), you will be given the option to link any of your credit cards to your wristband and set a required PIN for security. Once you're on The Farm, simply order at any food or drink vendor location that accepts cashless (most of them), and let them know you are paying with your wristband. Then tap your wristband, enter your PIN, and go!
We still suggest that you bring some cash and/or a card as backup though, as craft vendors and some vendors may not accept cashless.

WRISTBANDS
We use an ultra-high security wristband system called RFID (Radio Frequency Identification) that equips each wristband with its own uniquely coded chip. Wristbands must be worn at all times. Your wristband will be scanned each time you enter/exit Centeroo, The Arch, or The Woodlands entrance to What Stage, and when you enter/exit the campground at the tollbooths.
Do not tamper with your wristband in any way. Do not cut, burn, stretch, fold, spindle, or mutilate it. Altered wristbands will be invalid and any person in possession of an altered wristband will be charged a replacement fee or may be ejected from the festival site.
If you have any questions or problems with your wristband (even if it itches) visit one of the three Wristband Customer Service stations located at the Centeroo entrance, The Arch, and The Woodlands entrance to the What Stage.

WEATHER
In the event of severe weather, all fans will be messaged via Stage Announcements, on the Bonnaroo app, and over a PA system from each Plaza. You can also tune in to Radio Bonnaroo for info.

HELP KEEP THE SCENE CLEAN
With great fun comes great responsibility. Please help Clean Vibes, our heroic trash and recycling crew, by keeping your site and the concert areas clean. Recycle, compost, and pick up after yourself.

WHAT GOES WHERE?
RECYCLING
Place in recycling collection bins throughout site and blue bags at your campsite. All plastic containers, aluminum and tin cans, glass, clean mixed paper, drink cartons, plastic packaging and grocery bags can be recycled.
COMPOST
Place all food waste and other compostables in compost collection bins throughout site or in clear bags at your campsite. (Do not contaminate with trash.) All plates, cups, forks, and other food service items sold by festival vendors are compostable.
CIGARETTE BUTTS
Place in butt bins located throughout Centeroo for recycling or collect and turn them in at the Clean Vibes Trading Post for prizes.
LANDFILL
If it can't be recycled or composted, place it in the landfill collection bins throughout the site or in a clear bag at your campsite. Styrofoam, chip bags, ice cream and candy wrappers should go in this bin.

CENTEROO ADDITIONAL TICKETING
Generally speaking, you do not need to purchase another ticket for the various activities throughout Centeroo, with the exception of the Ferris Wheel and the Big Ass Water Slide. However, there is a limited capacity to some areas, and entry to the tents will be on a first come, first serve basis.
